I'll get a sense of how long they are planning to be here by how long they hook rooms. So far it's only for a few days.

Yes. I want him to trust me. Then we can balance the disruption with the fact we need their business badly. Haha

I don't know his roll or title. I'll share his name and contact info after we speak today. I don't want to lose my relationship yet as we need hotel room bookings big time. With Winterlude not happening this is important to our industry.

Hi Steve
Could we jump on a conference call tomorrow between 1:00pm or 2:00pm, Janet and myself will run you through the truckers agenda and how it will effect Ottawa and we can work together to build a suitable letter for your membership.
